The demonstration will start at 10 am and there will be a media presentation at 11 am when the Zimbabwean, Burmese and Sudanese dictators will be seen bowing down to a figure representing China . The realistic masks used were widely shown at the Europe / Africa summit in Lisbon last December.

The demonstration will culminate at 13.08 when the Tibetan flag will be raised, accompanied by the national anthems of the four countries. We will be joined by the Falun Gong who have been protesting in support of freedom outside the Chinese Embassy for many years.
